Pussy Cat, Pussy Cat...

Pussy Cat, Pussy Cat,
Where have you been?

I've been to London
To look of the Queen.

Pussy Cat, Pussy Cat,
Where did you do there?

I frightened a
little mouse
under my chair.

The FOOLISH LION

Once all the animals of the forest get together to find a way to save themselves from a cruel lion.

Kinko, the rabbit gives to the lion and says, "There is another lion in the jungle. He says that he is more powerful than you. Please come with me."

He gets angry and jumps in the water.

Wow! It's whole before you eat.
